Sierra Pacific utilizes a state-of-the-art sawmill to ensure outstanding quality.

Consistent...

Sierra Pacific Industries is the source for consistent high quality fencing products. Our state of the art sawmill was built exclusively to produce a variety of fencing products.

Outstanding Quality...

Whether it's our #1 2-face El Dorado fencing for the most discerning customer, or our Placer products which are graded with less stringent requirements, we're confident of our capability to meet your needs.

Anti Sap Stain...

Dipped in anti sap stain to minimize mold and mildew and a brightener to help maintain a fresh appearance.

Variety of Products to Choose From...

The sawmill manufactures a variety of products in 1 x 4, 1 x 6, 1 x 8 and 1 x 12 nominal widths available in 4', 5', 6', and 8' heights. Full widths available upon request. We also manufacture posts and rails.

Delivered When It's Needed...

Sierra Pacific supplies their sawmills from 1.7 million acres of forestlands and practices responsible forest management under AF & PA's third party certification.

Highly Durable...

Incense Cedar is exceptionally resistant to decay and is highly durable when exposed to the weather. The Forest Products Laboratory classes Incense Cedar with woods that hold paint longest and suffer least when protection against weathering becomes inadequate. Where humidity is high or moisture is ever present, Incense Cedar gives lasting services with little or no maintenance.
